Asset Building Survey for May 23 Strategic Planning Day

On May 23rd we plan to prioritize asset development strategies to focus on in the next several years. In order to do that we'd like to know more about the types of asset building activities already underway in Contra Costa County. Your response will help us plan for the May 23 strategic planning session as well as for the future. We'd appreciate it if you would tell us about your agency whether you are planning to attend on the 23rd or not. Thank You.
